

HEALTHY BONES GROUP IN S.E. MELBOURNE SUBURBS

(SOUTH EAST MELBOURNE OSTEOPOROSIS SUPPORT GROUP)

If you are:

- "at risk" of having low bone density
- have osteopenia or osteoporosis
- care for, or have a friend or family member with bone disease
- are simply interested in learning about it

then you may be interested in joining us for discussion,
guest speakers and light refreshments
followed by lunch
OR simply being on our mailing list to receive our
newsletter

This group meets every 2nd month at:
Mt. Waverley

This Group has been established for four years and the aim is to share information among group members and experts in this field, and of course, to support one another.

The Group meets 3rd Wednesday morning of every 2nd month, with byo lunch (optional)
Meeting months are: February, April, June, August, October, December
