

2007 NICS Fellow profile

Clinical Associate Professor Charles Inderjeeth

NICS-Department of Veterans' Affairs Fellow

Geriatrician and Rheumatologist, Sir Charles Gairdner Hospital, WA

Dr Inderjeeth's fellowship is supported by the [Department of Veterans' Affairs](#).

The Department of Veterans' Affairs (DVA) supports those who serve or have served in defence of our nation and commemorates their service and sacrifice. DVA does this by providing compensation and income support entitlements, delivering health care and rehabilitation services, and fulfilling Australia's commitment to remember and honour those who serve our nation.

Project: Improving awareness, investigation and management of osteoporosis in women presenting with a fracture

There is good evidence that effective management of osteoporosis can reduce further fractures. While fractures resulting from osteoporosis are adequately treated, the osteoporosis itself is not always addressed.

Project Mentor: Associate Professor Richard Prince, Sir Charles Gairdner Hospital, WA

NICS Mentor: Professor D'Arcy Holman, University of Western Australia, WA

Publications 2007/08
